Your **help** is needed to **save** the Woodcote Millennium Green Pond!

Over the past few years the Millennium Green Pond has become increasingly choked with invasive weeds and is now in need of professional maintenance. The Pond is looked after and maintained by a local Trust that relies *entirely* on local volunteers and donations.

Everyone in Epsom is very lucky to have this beautiful area right on their doorstep with the Pond central to the Green.

We need to raise approximately **£15,000** for this one off project so we are therefore asking all of those who live near the Green to help us. Specifically, we are appealing to local households to make a donation towards this target. If we could get each household to donate just **£50** we could achieve this.

Thank you in advance for any donation that you feel that you can give us. We really do need **your** help to save the pond.

Our Bank Details

Cheques should be payable to:

Woodcote Millennium Green Trust

and sent to 6 Sunnybank, Epsom, KT18 7DX
